WHAT DISCOVERY HOUSE AND DANIEL HOUSE DO

"When I came to Discovery House, my life was at an all-time low. It helped me begin to figure out who I am after losing myself to drugs. Jessica and John have done a lot to get me help in the community and Discovery House is a great place for any addict or alcoholic. They will love you until you can love yourself!" - *Chance, current resident*

"Discovery House is a life saver, literally. If I didn't have the structure and support I have here I wouldn't be clean and sober today." - *Danny K, current resident*

"Discovery House took me in at a very dark time in my life. And with the structure and support of the people involved, I went from a homeless person to a man with a job, and apartment, and a direction to go. I couldn't have done it without everyone involved, but especially our leading lady, Jessica and her husband, John." - *TDD, former resident*

"The Discovery House is truly a place that can be considered a home and the people can be truly called a family. It is one of the best experiences of my life. I am so grateful for Jessica and John for this opportunity and thank God for them!" *By the one and only - James David Bergstrom, current resident*

"Jess told me that all she did was open the door for me, but she did so much more. I was on the street, carrying my backpack and a duffle bag, in the winter. I had called and asked about Discovery House and Jess told me I could come in after I went and medically detoxed. She saw me pacing the sidewalk trying to decide if I could really do this. Then she opened the door and called my name. Every time I try to thank her or tell her that she saved my life, because she did, she tells me: "all I did was open the door; you walked in". She still tells me that I saved myself, but I know if Jess had not opened that door, I would have kept walking and I would have found another bottle. She saved my life and I am forever grateful to her and the people responsible for putting Jess in the position to be able to help people like me." - *M, former resident*
